FREE Same Day Referee Course & Mini Tournament with Full-day Clinic

STAS now has Member Clubs (schools/associations) in every sports/recreation district in the province. The goal is school teams' development and local tournament participation, then possibly the provincials. FOR NOV/DEC, 2011, when a school/group books a Full-day of Sepak Takraw Clinics, they are now also eligible to receive a FREE CERTIFIED REFEREE COURSE (2 ½ hours), after school the same day, followed by an evening MINI TOURNAMENT, with the new Referees officiating under the guidance of the Instructor. In doing this, the school/group will instantly meet all their requirements for receiving a **Grant of up to \$250 or more from STAS** to offset the cost of the clinics, equipment & instructional materials. Download our simple MAP Grant form at www.SepakTakrawSask.ca Don't delay, contact STAS to book your clinics.

2011 Provincials: Youth Div. Winners

Guidelines for Modified Game Rules:

1. Allow bounces between kicks/hits, and don't count the number of hits per side ... as long as the ball is bouncing or in the air, the ball is "alive".
2. Rotation of players upon the service returning to their side (similar to volleyball).
3. Allowing players to toss the ball up to themselves, then kick it over the net for the serve (opposed to one of their forwards at the net tossing the ball to them).
4. Allowing every first serve (after a rotation when the serve returns to that team) two chances to get the ball over the net and in bounds.
5. Kicking contact point on a serve must be from below the waist.
6. After 5 successful serves and points awarded for serving team, players must rotate and a new server continues serving.
7. Modified score keeping/game length:
 - a. Play single set matches that are timed and whoever is ahead when time is up is the winner, each match being 20 minutes long;
 - b. OR just play single sets of up to 21 pts. (must win by two pts. up to a ceiling of 25);
 - c. OR play best of out 3 sets wins the match but with the first two sets only going up to only 11 pts. (must win by two pts. up to a ceiling of 15), and a tie-break set going up to only 8 pts. (must win by 2 pts. up to a ceiling of 10)
