FREE Coach AND Referee Course & Mini Tournament with Full-day Clinic

Developing the sport of Sepak Takraw in your school/community has never been easier. A FREE Certified Coaching Clinic* has now been added onto a FREE Certified Referee Course**, all combined with a Mini Tournament at YOUR school when booking a Full-day of Skills Clinics ... and new Referees officiate under Instructor supervision. In this way, the school/group will instantly meet all their requirements for receiving a **Grant of \$250 - \$750 from STAS** to offset the cost of the clinics, equipment & instructional materials.

***Certified Coaching Clinic:** the 'Technical' requirement that STAS provides to be a certified Community Stream Sepak Takraw Coach ... other requirements are NCCP Theory 1 (old system) or NCCP Introduction to Competition-A (new system), and a fulfillment of STAS's 'Practical' (completed 'Practical' form after a minimum of 20 hours of coaching a Sepak Takraw team, and completing the Observation and Self-improvement forms). Participants in the Coaching Clinic receive a free comprehensive Sepak Takraw 101 Manual and Coaching Development Booklet, but must be STAS Individual Members to participate.

Coaches: Pelican Narrows

Referees: Southend, Reindeer L.

****Certified Referee Course:** upon completion passing the subsequent test, participant is a Trained/Novice Sepak Takraw Referee, then upon refereeing 5 matches become a Local B Referee and can begin getting paid by STAS to referee official matches whereby teams will be advancing to city or district playoffs. Participants receive an Official Rule Book and a Referee Development Program Booklet, but again, must be a STAS Individual Member.

Combined Coach/Referee/Skill Clinics & Mini Tourney:

Allow 2 ½ hours after school, and 2 ½ hours in the evening of the day before for the Coach & Referee Clinics, then a Full school day for Skills Clinics the next day which can be followed by an after school Mini Tournament (about 2 hours). Cost of everything is only \$325 plus applicable expenses.

Download our simple MAP Grant Application from our web site at www.SepakTakrawSask.ca and/or contact STAS to book your clinics; the first deadline is February 28, 2012.
